Education

BSc in Information Technology

RKT College | [2023] – Present

Career Objective

As a fresher with hands-on experience in Flutter, Cloud Computing, and programming, I aim to contribute to innovative projects that enhance user experiences and solve real-world challenges. I am eager to apply my skills in problem-solving, programming, and app development to grow professionally.

Skills

Technical Skills:

- Python
- HTML

Soft Skills:

- Problem-Solving
- Communication
- Teamwork

Projects

- **Flutter-based Language Learning App**
Developed a language learning app with interactive quizzes for C, Python, and HTML. The app includes a login system, score tracking with Provider and SharedPreferences, and audio lessons for programming concepts.
- **SmartCity App (Banaras)**
Worked on a SmartCity app providing information about tourist places, hospitals, and ongoing city projects in Banaras. Integrated a user-friendly interface with a backend powered by JavaFX for managing data.

Work Experience

- Fresher
- **Languages**
- English
- Hindi

- Marathi
- **Job Preference**
- Open to remote, freelance, or full-time roles as a fresher.
